My sister and I and my 2 dalmations and 2 chickens left on Sunday. Went to Meridian MS. Katrina came there. Drove to Nagadoches TX. Rita came there. People in nacogdoches were so nice. They couldn't do enough for us. met a lot of people from New Orleans, I could write a book. Every now and then I get depressed but (over)

Write something special that you would like Santa to bring you or your family:

Good health, be able to have an income, and all of us to receive our insurance that we paid for all these years.

God Bless.

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

& get over it. & still can't believe St. Clare is gone. all the homes just gone with the wind. And above all State Farm and the other insurance companies are not paying homeowners. Kelly told me & did not need flood insurance. They should be sued. & still have a $94,000.00 mortgage on my house and the house is totally gone. Nothing there but trees on the ground. I think if President Bush doesn't step in and make the insurance companies pay it will leave Mississippi and Louisiana poverty stricken. Why did we have insurance? & also visited New Orleans, & feel sorry for them as well as Mississippi. People are all over the country. Fema hasn't helped me. They have helped a lot of others. & visit Cleveland. Covington looks like L.A. California. The traffic is terrible. & never see anyone & know. My daughter lives here. Her house is OK. Tracy and Lauren moved here. My sister Sydney Sterling is living in New Orleans, Uptown. Rented a house for $900.00 a month. & thought Fema was going to help me. & pay more rent than my mortgage note. Maybe you can do something to help your people with their insurance. & joined the law suit. My church parish is St. Peter in Covington. Good luck to you
